\*- contains nuts

### **Featured Wines:**

**Nuvole Sul Poggio Gavi, Piedmont, Italy, 2025 Cortese** 17/gls 64/btl

Fresh, clear, and pure, it speaks well when it is young. Its yellow is tinged with green reflections that anticipate the fragrances of sage and marjoram, fresh aromas of lime and bergamot, distant memories of exotic yellow fruit. In the mouth it is perfect, as on the nose.

**Driopi, Nemea, Arcadia Greece, 2024 Agiorgitiko** 17/gls 64/btl

The Agiorgitiko grape, meaning “grape of St. George,” is native to the town of Nemea (formerly Agios Georgios) and is the only variety permitted under the Nemea region. Pronounced aromas of red fruits, nuts and sweet spices with a vanilla finish. Dry, with balanced acidity, and soft, velvety tannins.
